For God has not destined us for wrath, but to obtain salvation through our Lord Jesus Christ,

who died for us so that whether we are awake or asleep we might live with him.

Therefore encourage one another and build one another up,

just as you are doing.

1 Thess. 5: 9-11

We are now into the twelfth week of shut down due to the Coronavirus pandemic which has turned our lives upside down and made us realise that there are so many things that we have little or no control over.

The simple things of life that we took for granted like going out with friends for a coffee, or being able to get away for a few days holiday or being able to put your arm around a friend who is grieving the loss of a loved one.

In the last six weeks we have seen three of our fellowship called home, and because of the restrictions placed on us as church we have been unable to meet together and give thanks to God for their lives and social distancing is so un-Christian at times like these, but must do as we are told!

But praise God that in times like these we are not like those who have no hope!

Because of the finished work of Jesus, we have a future that is 100% guaranteed, a glad welcome home into the fullness of delight in God's presence and a perfect relationship with one another.

Everything will be awesome, right, and beautiful - beyond our wildest dreams, imagination, and longings.

Because we have such a trustworthy hope, it frees us to live as genuine encouragers, and hope dispensers instead of sanitising gell dispensers! Thank God for the privilege of bearing each other's burdens and being there as a listening ear, during this stressful time.

Remember nothing can separate us from the love of God or deplete His mercy nor exhaust His Grace.

The Mission we are supporting this quarter is SIM and their website states you can give via Bank Transfer, or Telephone Donation – Telephone 01449 766464 for details or to make a card

payment, **or** by cheque payable to SIM UK at: Serving in Mission, Wetheringsett Manor, Wetheringsett, Stowmarket, Suffolk IP14 5QX, stating clearly if you would like your donation to go to a specific person or project.

Doreen Eaton (Janet's Mum) got her call home to be with her Lord on Tuesday evening, she had struggled with a sick ailing body for some time. She finally succumbed to coronavirus and slipped away peacefully in Beverley Community Hospital

The Committal is on Thursday the 11th June at 10-30 and is a burial at Bridlington Cemetery

Numbers are limited, if you would like to be there please contact Janet.

Look for something positive in each day, even if some days you have to look a little harder.

You know you are getting old when . . .

You remember when the screen was tiny, the cabinet was three times larger and the television took at least two minutes to warm up

The joy of retirement

I enjoy waking up and not having to go to work. So I do it three or four times a day.
