"The Church has left the building"

### Re-think, Re-access, Re-value

This Coronavirus pandemic has disrupted so much of what we call normal life.

No more can you enjoy the simple things of life like a drive out to a nice coffee shop, have lunch out with friends. Sundays going to church and sharing fellowship with our friends, worshipping together the God who loves us, not being able to celebrate, the climax of the Christian calendar, "Easter" and sing the triumphant resurrection songs together all things that we assumed to be our right, none of us have ever experienced what we are going through right now and we are not out of the woods yet!

We dare not waste this opportunity to re-think, re-assess, and re-value what really matters to us. When we come out of this and even on the journey may our lives be marked by less fear and more faith, perhaps less activity and more adoration.

May God free us to live more at the pace of grace and the music of heaven, and less for the things that are destined for the rubbish tip. May the Holy Spirit, change our price tags and what we call "treasure," and show us the difference between trusting in our status and resting in Jesus.

May this time of lockdown and staying at home help us appreciate more our families and above all our saviour, may God forgive us for not being content with what we have, and may we spend this time getting to know God better and being known by Him may He be our greatest joy and inheritance our identity and our security.

Let us use this time to discover more of the beauty and love of Jesus, and may He topple the idols of our hearts.

*Keep your lives free from the love of money and be content with what you have, because God has said, "Never will I leave you; never will I forsake you." Hebrews 13:5*

*Lord, you alone are my inheritance, my cup of blessing. You guard all that is mine. Psalm 16:5*

*Whom have I in heaven but you? I desire you more than anything on earth. Psalm 73:25*

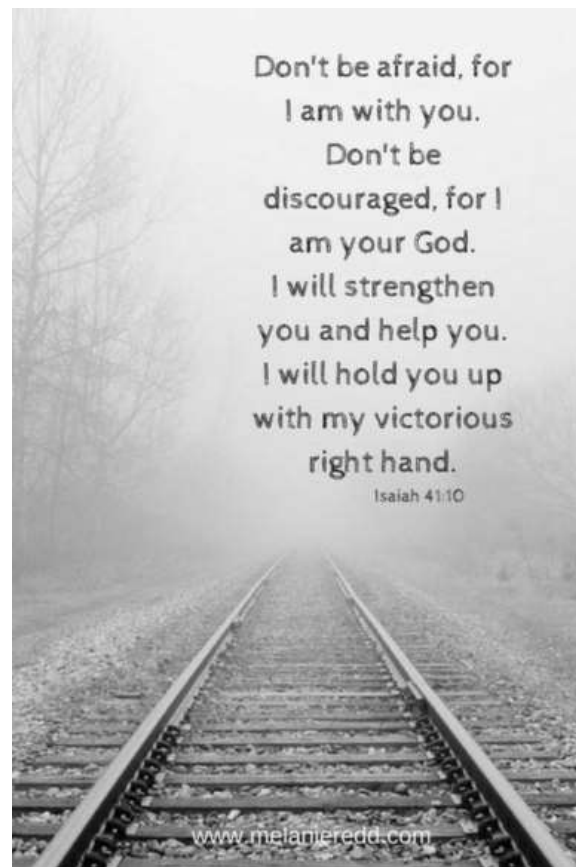

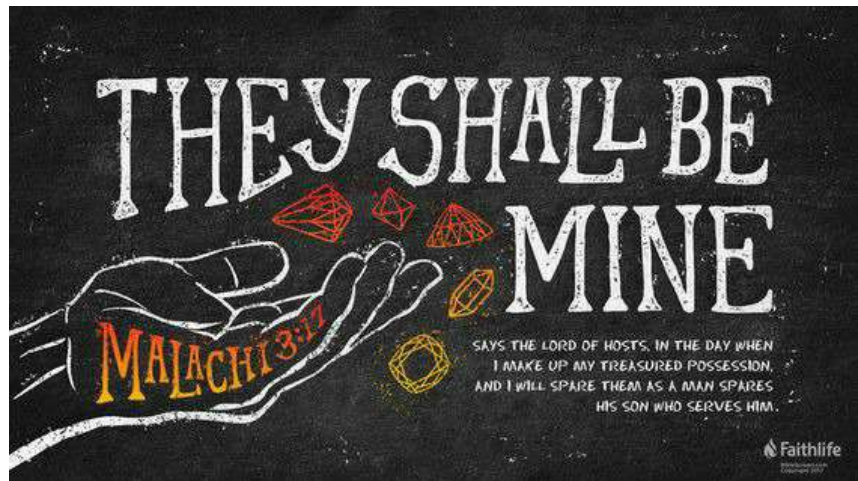

## Tuesday morning fellowship zoom meeting,

We will have another video song to close with then a time to chat informally with each other.
